

NOTES FOR MEETING ON RETIREMENT BILL

Tab 1: Suggested introductory remarks

Tab 2: Detailed notes on the "issues"--provisions for which we believe we should argue. We recommend our strongest pitch be made on:

(1) Discontinued Service Retirement (Sec. 234(c))
(Change No. 9, Tab 3)

(2) Reemployment Compensation (Sec. 273)
(Change No. 20, Tab 3)

(3) Rules and Regulations--Committee "approval" vs. "consultation" (Sec. 201(a))
(Change No. 1, Tab 3)

We feel less strongly about:

(4) Survivor Annuity to widow of Disability Annuitant (Sec. 231(a))
(Change No. 3, Tab 3)

(5) Death in Service Benefits (Sec. 232(e))
(Change No. 6, Tab 3)

(6) Separation Pay (Sec. 234(d))
(Change No. 10, Tab 3)

Tab 3: Explanatory notes on all changes to be discussed in Braswell meeting.

Individual sheets on each change for use in revising bill.
